

TECH DEALS LOCAL MEALS

Support local businesses while updating your office technology

We would like to support our communities and favorite local eateries that were adversely affected by sudden closure. To do our part, through September 2020 we are offering a **\$250 gift certificate** to a local restaurant with the purchase of a qualifying Sharp Multifunction Device or Windows collaboration display (up to \$500 for 2 units). If you cannot accept gift certificates, we can donate the sum to a local food bank to help families in need.
